SEWP VI Overview

NASA SEWP (Solutions for Enterprise-Wide Procurement) VI is a Government-Wide Acquisition Contract (GWAC) that provides Federal agencies and authorized users access to Information Technology, Communications, and Audio-Visual (ITC/AV) solutions and services.

SEWP VI is organized into three scope categories: Category A – ITC/AV Solutions; Category B – Enterprise-Wide ITC/AV Service

Solutions; and Category C – Mission-Based ITC/AV Service Solutions. 3rd Eye Technologies LLC is a **Category C SEWP VI Contract Holder** providing mission-based ITC/AV services and solutions to Federal Government customers under Contract **80TECH26D1401**.

Fair Opportunity

Ordering Contracting Officers are responsible for meeting applicable fair-opportunity requirements under FAR 16.505(b). The NASA SEWP Quote Request Tool (QRT) may be used to obtain and document competition among eligible Contract Holders. Any exception to fair opportunity must be documented in accordance with the FAR, NASA SEWP procedures, and applicable agency policy.

How to Obtain a Quote

Customers seeking a quote for hardware, software, services, or an integrated solution may submit a request through the NASA SEWP Quote Request Tool (QRT) or contact the 3rd Eye Technologies SEWP VI Program Team listed below.

The 3rd Eye SEWP VI Program Team can assist customers with requirements, product and service information, quotations, and questions regarding 3rd Eye Technologies' SEWP VI offerings.

How to Order from 3rd Eye Technologies

1. **Define the Requirement** – Identify the required products and/or services, quantities, delivery or performance location, period of performance, and applicable technical or security requirements.
2. **Request Quotes** – Use the NASA SEWP QRT to request quotations from eligible Contract Holders within the applicable SEWP VI category/group or set-aside. Customers may contact the 3rd Eye SEWP VI Program Team for assistance with a 3rd Eye Technologies quotation.

3. **Evaluate & Select** – Evaluate quotations using the agency’s stated evaluation factors and document the best-value determination and applicable fair-opportunity requirements.
4. **Issue the Delivery Order** – The issuing Agency’s procurement office issues the Delivery Order citing 3rd Eye Technologies LLC and SEWP VI Contract 80TECH26D1401.
5. **Submit Through SEWP** – Route the Delivery Order through the NASA SEWP Program Management Office (PMO). SEWP validates the order and forwards the valid order to 3rd Eye Technologies.
6. **Fulfillment & Support** – 3rd Eye Technologies processes the order and coordinates delivery and/or performance, invoicing, and post-delivery support. Order modifications must also be processed in accordance with NASA SEWP and agency procedures.

Installation, Warranty & Post-Delivery Support

3rd Eye Technologies coordinates installation, basic and extended warranty, technical and software support, and other post-delivery requirements in accordance with the Delivery Order and applicable provider terms. Customers requiring assistance should contact the 3rd Eye Technologies SEWP VI Program Manager or Deputy Program Manager listed below, who will coordinate with the appropriate provider or 3rd Eye technical resource.

Problematic Orders & Escalation

For order, delivery, invoicing, installation, warranty, software, technical support, or other post-delivery issues, contact the 3rd Eye Technologies SEWP VI Program Manager or Deputy Program Manager. The Program Team will coordinate resolution with the appropriate parties. Issues requiring NASA SEWP assistance may be escalated to the NASA SEWP Helpline.
